CHOICES – A LIFETIME DEVELOPMENT, INC.

January 27, 2012

Dear Student(s) & Parent(s):

Choices-LTD (Choices-A LifeTime Development, Inc.) was established over five years ago or so in Edgefield, SC. Choices-LTD is made up of responsible men and women who have shown a sincere willingness to partner with us in our earnest effort to work with area youth in a mentor capacity. Choices-LTD reaches out to all youth and their parents irrespective of race, gender, grade level, or religious affiliation. We have been extremely active in schools, communities and churches all over the CSRA area. Our goal is to become their friend and through this friendship facilitate their academic, social and personal development.

We believe that all people have an inherent desire to excel and be productive citizens in this world. Therefore, we want to extend the offer to you and your child to apply to become a recipient of one of our 2012 Choices-LTD Student of Choice scholarships (in the range of \$1,000- \$1,500 each). Please complete the short application and answers to essay questions. Mail both to: **Choices-LTD, Attn: Scholarship Review Board, P O Box 6541, North Augusta, SC 29841 by Friday, April 27, 2012.**

Please contact us with any questions, concerns, or ideas of how we can be more involved at your institution or school @ (803) 646-6048 – Mr. Errol Thomas or Mrs. Sabrina Thomas @ (706) 828-6410.
